with all their undertakings, while those who neglect his advice are still laboring against powerty. Through his perfect knowledge of chemistry, he can impart to you a secret that will overcome rour enemies and win you friends. His aid and advice has often been solicited; the result has always been the securing of speedy and happy marriages and all your wishes. In love affairs he never fails. He has the secret or winning the affections of the opposite sex. It is the curse of Spiritualism that in all large cities there are a class of men and women who claim powers they do no possess. They have neither gifts, credentials, noreferences. Surely the colored people are not so wanting in sense as to throw their time and money away on such. Dr. Shea refers to the Hon. William Denmore, Architect and builder, 47 Cleveland Ave, and Mr. Fred. Lampe, grocer, 641 Fulton Street, Brooklyn. All have known him for the past seven years. He gives a free test of his power to all. The doctor has practiced five years in New Orleans, 8t. A SENSATION IN BROOKLYN.—A MINISTEE'S STATEMENT.

I wish to state that one of my parishoners was sick and in trouble for a long time, Mrs. Brown, 87. Gay Street. No one seemed to understand her case. She had several doctors, but none of them seemed to know what was the matter. None could do her any good. It was my duty as her pastor to call an I see her. Hearing of the wonderful work being done by Dr. Shea the last few years, I thought I would call and see him myself. I found him a kind sympathetic gentieman. He gave me a wonderful test of his powers: told me to send him a lock of patient's hair, which I did by her daughter. He told at once what was the matter and in a short time cured her sound and well. Herfamily had seemingly been under a cloud. Now all is changed. All are well and prosperous. I can truly and heartily recommend Dr. Shea, to all 7:00 A M., Daily, for Washington and points North.
